

7th ICGPSRO AGENDA

時間	10/28 (Tue)	10/29 (Wed)	10/30 (Thu)
09:30–10:00	ICGPSRO Opening	Retrieval Methodology and Science	Data application on space weather I
10:00–10:30	Break		
10:30–12:00	Keynote I & II & III	Numerical Weather Prediction (NWP) Data Assimilation	Data Application on Space Weather I (Part 2) & Data Application on Space Weather II
12:00–13:30	Lunch Break		
13:30–15:00	GNSS-Reflectometry I	Atmospheric Physics and Climate Applications	Next generation of GNSS remote sensing & Future Mission
15:00–15:30	Break		
15:30–17:00	GNSS-Reflectometry II	Innovative GNSS Technologies	Ground-based GNSS Technologies/applications
17:00–17:30	Poster Session I	Poster Session II	Closing Session
